# Our Story

Danny Haile, David Daniel, and Gari-Dawn Tingler's history began in the nail industry, rooted early on as nail technicians. Over the course of 30 years, they have cultivated an unending passion for the professional nail market. That same passion also runs through each of their families, to their daughters and sons.

Morgan Taylor Professional Nail Lacquer was, in fact, named for Danny and David's daughters, Morgan Haile and Taylor Daniel as a way to pay homage to the impact that the professional nail industry has had on each family. This impact, and love of the industry, can be seen in the brand's commitment to quality and innovation. Morgan Taylor is a nail lacquer that is especially formulated for you... the nail professional. You can see this commitment to the professional in Morgan Taylor's select ingredients and innovative bottle – each thoughtfully developed for optimum style and performance.

Since the launch of Morgan Taylor, nail professionals have helped the brand to grow year after year. With this growth, the brand has been given the opportunity to be able to give back to the nail community and society at large. From local beach cleanup events to charitable donations for female empowerment, giving back has become embedded as a core value of the Morgan Taylor brand.

# Morgan Taylor

## More Professional. Longer Wear. Deeper Color.

Morgan Taylor sets the color standard in professional long-wear nail lacquer with reactive chemistry for shine and intense color that lasts. Our ultra-luxe formula was inspired by luminous pearls, raw gems, semi-precious stones, glimmering silvers and radiant golds all drawn from the earth. All pigments are saturated, pure, and finely milled for brilliant metallic, never-before-seen shimmers, decadent crèmes, stunning sheers, and glistening glitters.

### The Bottle

A BOTTLE DESIGNED FOR FLAWLESS EXECUTION.

You expect only the best experience from start to finish. That's why we developed Morgan Taylor Nail Lacquer especially for you.

#### EXCLUSIVE BRUSH

With ultra-fine laser cut bristles, this brush is a curved cuticle-friendly shape for the easiest, most full-coverage application possible.

#### CUSTOM-DESIGNED BOTTLE

Exquisitely engineered for a fit second to none; our bottle is perfectly weighted for your comfort and balance.

#### DEEPER, CLEARER GLASS

This clarity in glass allows for light to enter, without distortion, providing you with more authentic color from the start.

#### ERGONOMIC CAP

This light weight design molds perfectly to your fingers, allowing for relaxed comfort and complete control.
